Before the Court is plaintiff The Erection Company, Inc.'s application for a status check as to the disposition of its Motion for Summary Judgment Against Postel

1 Industries, Inc. on Its Counter-Claim (dkt. no. 85) pursuant to Local Rule 7-6(b). (Dkt.
2 no. 141.) The Motion for Summary Judgment was filed on July 11, 2013, and was ripe
3 and fully submitted to the Court on September 5, 2013. The Court disposes of pending
4 civil motions in chronological order, except for those motions that require disposition on
5 an expedited basis. The Court is working on motions submitted before August 31, 2013,
6 and will be moving through them chronologically. The Erection Company, Inc.'s Motion
7 for Summary Judgment Against Postel Industries, Inc. on Its Counterclaim does not fall
8 within the category that requires expedited disposition and will therefore be decided in
9 the order of pending motions in civil cases. Oral argument will be scheduled if the Court
10 determines argument is necessary.
